

## Audit 2026

Details of our annual budget, asset register etc are matters of public record. All relevant financial documents are available on our Website. Alternatively hard copies can usually be provided by contacting the Parish Clerk.

The internal Audit of the Parish Council's accounts has been carried out by Caroline Butterfield. No issues were found. The Annual Governance and Accountability Return (AGAR) documents will now be sent to, and audited by, an external Auditor. This will be done by Forvis Mazars LLP, who are based in Newcastle.

The AGAR documents are available to view on the Parish Council website.

Electors are able to question the External Auditor about the Parish Council accounts and they can be contacted via email - [local.councils@mazars.co.uk](mailto:local.councils@mazars.co.uk)

The signed, original documents can be viewed by contacting the Parish Clerk.
